Certificate of conformity of the factory production control

1245-CPR-3011

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Prefabricated timber structural members assembled with punched metal plate fasteners for roof structures under factory production control and the continuous surveillance, assessment and evaluation of the factory production control under system 2+

produced by

Cox Long Limited

and produced in the manufacturing plant

Airfield Industrial Estate, Hixon, Stafford ST18 0PA

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

BS EN 14250:2010 and ETA - 07/0161

under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 27 June 2013 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

A handwritten signature in black ink, appearing to read 'Gail Sumner'.

**Gail Sumner
Director
Morecambe
27 June 2013**

This certificate remains valid subject to six or twelve monthly surveillance audits as applicable to the standard/s and that the above manufacturer produces products in strict adherence to the above standard and CPR and does not change or amend their products and their FPC.
